COMMUNITY CITATION OF RECOGNITION

AWARDED TO

Borough of Swissvale

2019 Banner Community

Local government and municipal authorities are incredibly important because they often have the most direct impact on the daily lives of residents. Being a local government official, whether elected or appointed, or leading an authority can be a complex and challenging endeavor. The Banner Community Program recognizes municipalities and authorities that are committed to professional development, prudent fiscal management, transparency, accountability, and proactive communications that engage community residents and stakeholders. This designation is a public recognition of the efforts your community takes on behalf of your residents and businesses each day. We are fortunate to have a municipality that provides effective, efficient, and accountable services and are proud to, once again, recognize your community. Congratulations on this most recent award as a Banner Community.
